## LEARNING IN THE WILD

Our students had an unforgettable 4-day adventure at Savage Wilderness, Sagana. From thrilling white-water rafting and zip-lining to bushcraft, rock-climbing and team challenges, they built resilience, teamwork and lifelong memories in the heart of nature. Pure joy and adrenaline! Our students took on the rapids at Savage Wilderness with courage, laughter, and teamwork—faces lit with excitement as they paddled through every twist and turn. An unforgettable ride on the wild side! (STORY ON PAGE 29 )

## »» MESSAGE FROM HEAD OF SCHOOL ««

**D**ear parents,  
Warm greetings.  
This newsletter outlines the various activities and learning experiences our learners have engaged in during Term 2.

This term has already featured a number of notable achievements, with students showcasing their talents at various events. We look forward to continued participation and excellence in Term 3.

Education is a continuous journey of development, and your active engagement with the school remains essential. Together, we can help our children realise their full potential and prepare them to make a positive contribution to the global society.

We have thrived in our co-curricular programmes offering a diverse range of activities that have enriched the learners' experiences beyond the classroom. These achievements reflect the devotion of our staff to ensure our learners benefit from the inclusive learning environment that OAM strives to offer.

Our sporting and

enrichment activities have also attracted increased participation from learners this term. It is our resolve to expand these opportunities, including arranging friendly competitions with other schools to provide our learners with exposure to put their skills to test. There have been several initiatives and campaigns aimed at making an impact in vulnerable communities through our charitable programmes. Thank you for your support towards these. To our IGCSE, AS, and A-Level candidates, we extend our best wishes for success in the upcoming examinations.

Teachers have equipped you with pre-requisite skills and knowledge necessary to approach your examination with confidence. May the Almighty guide you through each and every paper. To our Year 6 learners, congratulations upon successful completion of your Checkpoint examinations. These are just but a beginning of a successful academic journey ahead.

Wishing you a restful holiday. We look forward to welcoming our learners back for what promises to be a vibrant and dynamic Term 3.

# »» MELODIOUS MORNING ««

**What a spectacular morning we had at OAM as our talented Junior and Senior students took center stage for a breathtaking musical performance!**

From the soothing harmonies of French chorals to the powerful Kiswahili shairi by our brilliant Year 5s, the audience was captivated at every note. Our young violinists mesmerized everyone with Ode to Joy, while the soulful saxophone solo left us spellbound.

The energy soared as our dance group brought vibrant Bollywood beats to life, proving that music and movement go hand in hand. And to top it all off, our incredible music teachers graced the stage, in a grand finale. A huge round of applause to our gifted students for their dedication and hard work, and heartfelt gratitude to our parents for their unwavering support.

## ➤➤➤ PLAYGROUP ASSEMBLY - 'MY TOY SHOP'

Our little stars stole the show at the Playgroup assembly with their delightful performance on 'My Toy Shop'! From energetic action songs to charming floral outfits, our young learners swayed, sang and showcased their confidence on stage. It was a heartwarming experience, especially for our newest members this term, as they joined in the fun and excitement. A big cheer to our budding performers for their enthusiasm and teamwork!

## ➤➤➤ ADVENTURE AT NYALI BEACH HOLIDAY RESORT!

Our KG 1 learners had an amazing day at Nyali Beach Holiday Resort, where fun met learning in the most exciting way! From engaging ball games to celebrating their term's learning, our little explorers enjoyed every moment! They named rescue vehicles, identified the uniforms of rescuers and had a blast with sand play! The day ended with a delicious meal at the hotel; making it a truly memorable experience for all!

## ➤➤➤ KG 2S ASSEMBLY: DINOSAUR DETECTIVES

The KG2S presented a few facts about the extinct dinosaurs and sang songs on the same. They also acted out a short play on The 3 Triceratops Gruff. The learners were all excited as each one of them represented a dinosaur. For the finale they sang a song about a dinosaur family and imitated the movements of a dinosaur.

## ➤➤➤ KG 2 PUPILS EXCITING MOVIE DAY

KG 2 pupils celebrated the conclusion of their Dinosaur Detectives unit with an engaging and fun-filled movie day. The young learners watched a documentary showcasing various dinosaur species; correctly naming many of them. They then enjoyed watching *The Land Before Time* and *The Amazing Three-Horned Girl* while having their refreshments. To wrap up the event, the young learners showcased their creativity by painting Triceratops masks, which they proudly took home as a keepsake of their dinosaur adventure.

## ➤➤➤ KG RECEPTION CLASS - THE BRILLIANT BUG BALL

OAM KG Reception class had a very interesting unit 'The Brilliant Bug Ball'. The learners arrived in their best clothes ready for a pretend bug ball party. They started off with a brief discussion on what was going to happen at the bug ball party. The toddlers wore bug crowns and proceeded to the reading room which was the meeting place for the party. They enjoyed making bug food using play-dough and finally had a bug ball dance.

## ➤➤➤ KG 3 OCEAN TREASURES UNIT

KG 3 kicked off the Ocean Treasures unit with a burst of excitement. The learners arrived in beach wear ready to enjoy the school made pretend beach. They explored a wet sand station, a dry sand area and a bubble blowing section before settling into a story room to watch The Magic Ocean Bus. They also had fun creating sand art of a castle and colouring beach themed worksheets.

# »» KG MUSIC ASSEMBLY ««

**Our budding musicians took the stage, filling the hall with the sounds of pianoforte, drums and African drums!**

Their understanding of rhythm, musical notes and beats was on full display, much to the delight of our proud parents. We applaud our little performers for their confidence and talent and a huge thank you to our dedicated music teachers for nurturing their skills.

# »»» INTER-NURSERY SWIMMING GALA CHAMPIONSHIP

What a spectacular day at OAM as we hosted 7 academic schools for an exhilarating Inter-Nursery Swimming Gala! Our young swimmers showcased formidable skills, powering through each stroke to victory with an outstanding 763 points! To celebrate all participants, every swimmer received a special gift as a token of appreciation. A huge thank you to the participating schools, our dedicated coaches, hardworking timekeepers and the amazing parents who turned up in large numbers to cheer on the little champions!

## ➤➤➤ YEAR 1 TREASURE HUNT

The learners started a new unit 'Treasure Island' with an exciting treasure hunt! They followed clues, solved puzzles, and uncovered hidden treasures, just like real pirates. They also created their own pirate artifacts- maps, treasure chests, and flags-bringing the pirate world to life. This hands-on experience sparked curiosity and excitement, setting the stage for a thrilling learning journey ahead!

## ➤➤➤ YEAR 2 TRIP TO HALLER PARK

Our Year 2 learners had an exciting adventure at Haller Park as part of their Live and Let Live unit! They explored diverse living things in their natural habitat, gaining a deeper understanding of ecosystems and conservation. A day filled with discovery, curiosity, and unforgettable experiences!

## ➤➤➤ JUNIOR SCHOOL SPELLING BEE ROUND 1 AND 2

Learners showcased their prowess in word derivations, word formations, synonyms, spelling aloud and more. Topaz House emerged as the winners with 180 points, closely followed by Emerald House, which secured 170 points. Sapphire House earned 130 while Ruby House finished with 120 points.

## ➤➤➤ YEAR 2 BIRD FEEDER PROJECT

As a generation of bird enthusiasts, the Year 2 learners explored ways of attracting birds to their immediate environment in order to study their features and feeding habits.

To achieve this, they creatively designed and created bird feeders using locally available materials.

# CELEBRATING INTERNATIONAL MOTHER LANGUAGE DAY

Our Junior School students made International Mother Language Day extra special by introducing their classmates to greetings, numbers, polite words, and songs in their mother languages!

From vibrant cultural attire to heartfelt expressions of heritage, the day was a beautiful reminder that language and culture are inseparable. Through this celebration, our young learners embraced linguistic diversity and deepened their appreciation for one another's roots.

## ➤➤➤ YEAR 3 TRIP TO WILDWATERS

Our Year 3 learners had an action-packed day at Wild Waters Park, where science and fun came together in the most exciting way. From the thrilling water slides to the wave pools, they explored the forces of push and pull in action—feeling the rush of gravity, the power of water currents, and the excitement of hands-on learning.

The goals in focus:

- What friction is and what the world would be like without it
- How we use friction
- How we can increase or reduce friction
- The direction of forces
- The strength of forces and how we can measure them
- Investigating gravity, air resistance, and buoyancy.

## ➤➤➤ YEAR 4 EXPERIENCE MAKING A MILKSHAKE

The learners began a new unit "Shake It!" They made milkshake using multiple ingredients thereby identifying the states of matter in each ingredient and how they changed when dissolved together.

## »» JUNIOR SCHOOL EXCITING LIBRARY ACTIVITIES

Our young learners in Years 1-3 had an amazing time exploring their creativity through exciting library activities. Year 1 crafted beautiful bookmarks, putting an end to the habit of dog-eared pages. With their unique and colourful creations, they can now use them to mark their page in the book—no more folded corners! Year 2 took creativity to the next level by designing covers for their favourite books. They not only showcased their artistic talents but also came up with imaginative blurbs, bringing their favorite stories to life in new and exciting ways. Year 3 exercised their writing skills by crafting thoughtful pieces on "Our Library." It was wonderful to see them express how the library has positively impacted them, their favorite reading spots, and the books they love most. Their insights will also help Junior School library improve its services for an even better library experience.

## »» YEAR 4 TRIP TO LOVE AND JOY FARM

The Year 4 learners had great fun in the unit - Shake it! Using milk as the main product, the learners have been conducting a variety of interesting experiments for example making butter, cheese and milkshake to explore:

- States of matter (solids, liquids and gases)
- Reversible and irreversible changes
- Solids that dissolve in milk

To celebrate their exit point, the learners visited Love and Joy Dairy Farm. The purpose of the trip was to:

- Identify the different types of milk products
- Consolidate their learning on the journey of milk
- Identify the benefits of milk to the human body

# »» JUNIOR SCHOOL INTER-HOUSE ART FESTIVAL 2025 ««

**On Wednesday, 12th March 2025, our young artists showcased their incredible talents at the Junior School Art Festival!**

From shading and still-life drawing to coloring and craftwork like crocheting, every student brought their creativity to life. Each year group had a unique artistic challenge:

Year 1 – House and Tree, Year 2 – Back-to-School Bag, Year 3 – Handbag, Year 4 – Mushroom, Year 5 – Tree Landscape and Year 6 – Headphones.

As Pablo Picasso once said, "Every child is an artist. The problem is how to remain an artist once we grow up." We are so proud of our young creatives and their inspiring works.

## ➤➤➤ YEAR 5 LEARNERS TAKE A VIRTUAL TRIP TO SPACE

Our Year 5 learners took their Space Scientists unit to the next level with an exciting virtual trip to space! Strapped in with virtual reality headsets, they explored the galaxy, planets, and celestial bodies, bringing their learning to life in an unforgettable way!

From orbiting planets to witnessing the vastness of the universe, this immersive experience sparked curiosity and deepened their understanding of the planetary system.

## ➤➤➤ YEAR 6 ADVENTURE AT SHELDRIK FALLS!

Our Year 6 learners took their learning outdoors with an exciting trip to the South Coast! Through hands-on activities at Sheldrick Falls, they explored soil types, layers of soil, animal adaptations, hiking safety, and teamwork. This unforgettable experience deepened their understanding and personal learning goals, making education truly come alive!

# »» INTER-SCHOOL ART BOOT CAMP ««

The Art boot camp is designed to inspire and nurture the talents of our young learners, providing them with a platform to express themselves and developed new skills. On 8th March, 2025 OAM held an inter-school art boot camp where the young artists undertook realism and expressionism paintings on canvas.

## »» JUNIOR SCHOOL BOOK CLUB

Our Junior School Book Club took their love for reading outdoors to discuss *Paddington 2*. The session was enriching, as members shared their thoughts and sparked exciting discussions about their favorite characters and the heartwarming lessons from the book. Surrounded by fresh air and nature, the members enjoyed a relaxing setting that made the discussion even more special. From *Paddington's* kindness to the importance of family and community, the conversation was full of fun and great insights.

## »» WATOTO SPORTS CAMP

Our Watoto Sports Camp was the perfect way to spend the April holidays. From thrilling field games to high-energy basketball drills and water polo competitions our students stayed active, motivated, and full of smiles throughout the week. This wasn't just play—it was growth in action! The camp nurtured physical fitness, teamwork, confidence, and discipline, all in a fun and supportive environment.

## ➤➤➤ ARTISTIC MASTERPIECES BY YEAR 7

Our talented Year 7 art students bringing landscapes to life with watercolors and acrylics! From serene sunsets to vibrant countryside scenes, their creativity knows no bounds.

## ➤➤➤ INTERACT CLUB BEACH CLEAN-UP

The Interact Club of Oshwal Academy Mombasa carried out a successful beach clean-up at Nyali Beach, collecting 50kg of waste. This initiative highlights our ongoing commitment to environmental sustainability and the importance of preserving our natural spaces.

By actively engaging in such efforts, we are contributing to a cleaner, healthier planet for future generations. Thank you to everyone involved for your hard work and dedication. Together, we continue to make a positive difference.

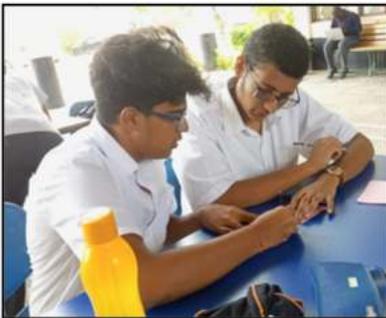

## INTERACT CLUB DISTRIBUTE TREATS

Our Interact Club members spent a heartwarming afternoon at Cornerstone School in Maweni, sharing treats, laughter and unforgettable moments with the students! From distributing donuts and lemonade to bonding through fun activities, our students brought smiles and made a lasting impact in their young lives. A small act of kindness goes a long way and we're proud of our Interactors for embracing the spirit of service and compassion!

## MATH CHALLENGE SUCCESS

Our students showcased their mathematical prowess in an exciting challenge, competing in problem-solving, puzzles, quizzes, timetables and relays! Both our junior and senior teams gave their best, securing impressive rankings across different age groups. Overall, we clinched 3rd place out of 6 schools! Kudos to all our participants for their hard work and dedication.

## ➤➤➤ SENIOR SCHOOL LIBRARY ACTIVITY

Senior School undertook an afternoon full of exciting library activities. The Year 10s wrote captivating short stories with a plot twist, Year 9s described their favourite character from their best book or a movie, Year 7S designed attractive posters on the Book sale and exhibition on 3rd March 2025 and Year 8N Designed posters to advertise the library resources.

## ➤➤➤ INTER-HOUSE ENGLISH QUIZ

The inaugural inter-house quiz went down well with participants drawn from the four houses. The representation captured students from year 7-13 with strengths of the questions also formulated in an up scaling format. The questions were interesting ranging from grammar to poetry and general riddles that have traversed the English Language domain for ages.

All the houses put on a spirited fight and in the end, the outcome was as follows:  
Sapphire 33 points; Topaz 30 points; Ruby 20 points; Emerald 19 points  
Congratulations to the winning house!

## »»» THE ART OF CALLIGRAPHY

Our Year 9 Art students have been meticulously mastering the art of calligraphy, exploring its elegance and incorporating it into their artwork. From delicate strokes to bold flourishes, they are learning how letterforms can transform a piece into something truly expressive.

"Calligraphy is the most intimate, private, and spontaneous expressive means. Like a fingerprint or voice, it is unique with every person." – Hermann Zapf

## »»» YEAR 9 AND 10 COFFEE MORNING

At Oshwal Academy, we believe that raising teenagers in today's fast-paced world requires a balanced blend of guidance, empathy, and open communication. During our recent Year 9 and 10 Coffee Morning, parents engaged in thoughtful discussions on key parenting challenges.

The insightful conversations reflected the shared experiences and challenges of modern parenting. Thank you to all the parents who attended — your participation and perspectives are invaluable in building a supportive school community!

# »» CELEBRATING WORLD BOOK DAY WEEK ««

Our Junior and Senior Library departments marked the occasion with a Book Sale Exhibition for the whole school. Students and staff explored a wide variety of books from Educate Yourself, Textbook Centre, and other invited book sellers.

The excitement was contagious as everyone discovered new reads! Adding a special touch, our Book Club members handed out handmade bookmarks to encourage young readers on their literary journey. This event was a wonderful step towards fostering a lifelong reading culture among our students and staff.

## ➤➤➤ YEAR 12 CURRICULUM MEETING

Our school hosted the Year 12 Curriculum Meeting with parents and students of Year 11, providing valuable guidance on subject selection and career pathways. Students received insights from our Teaching & Learning and Pastoral Departments, alongside expert advice from invited university representatives. Excitingly, we are expanding our curriculum this year to include Law, and Global Perspectives - broadening horizons and opportunities for our learners!

## ➤➤➤ CAREER APTITUDE TEST

Our Senior School students recently took part in a Career Aptitude Test conducted by the expert team from EduCare International. Through a series of assessments and guided discussions, students gained a deeper understanding of their skills, personality traits, and the professions best suited to them. At OAM, we are committed to preparing our students for success beyond the classroom!

## ➤➤➤ IHECF UNIVERSITY EDUCATION FAIR

Exploring Futures - Our Senior School students had an amazing time at the IHECF University Education Fair at Bliss Resort, discovering endless possibilities for their next chapter. From engaging with university representatives to gaining insights into various programs, they're one step closer to shaping their dreams!

## ➤➤➤ PA GOLD TEAM BAKE SALE

Our President's Award Gold Team showcased their dedication to service during the Junior School Swimming Gala by organizing a successful bake sale!

The funds raised will support community service initiatives, including assisting with the school fees of underprivileged children.

A huge thank you to our students, parents, and staff for their generosity and support.

## ➤➤➤ OAM PA PRE ADVENTUROUS JOURNEY IN MACHAKOS

OAM Presidents Award participants once again embarked on their Pre Adventurous Journey in Machakos. The three nights four day adventure saw 19 Pre Gold and 35 Pre Silver participants tackle a section of Machakos hills. The 54 participants overcame inertia and took off onto the trail, to conquer their fears and doubts on the hills. With every step taken, every obstacle they overcame, and every breathtaking view witnessed on top of each hill was part of their unique and remarkable journey. Well done team!

## WORLD SCHOLARS REGIONAL ROUND 2024-2025

The World Scholars Regional Round 2024-2025 took place on 17th and 18th February at Light International School. OAM Students participated in a variety of activities, including the Scholar's Bowl, Scholar's Challenge, Collaborative Writing, and Debate.

A total of 85 students from our school competed alongside peers from over 12 other schools in Mombasa. Oshwal Academy Mombasa emerged victorious, securing an amazing feat of 276 Gold Medals, 162 Silver Medals and 12 Trophies.

# »» YEAR 9 TRIP TO RIFT VALLEY ««

# »» EXPEDITION TO SAVAGE WILDERNESS ««

A group of enthusiastic students recently embarked on a four-day outdoor adventure to Savage Wilderness Camp in Sagana, where nature became their classroom and the great outdoors offered lessons far beyond the walls of a school.

The trip was more than just an escape into the wild—it was a transformative journey filled with personal growth, friendship, and thrilling experiences. Set against the backdrop of scenic views, lush greenery, and chirping wildlife, the students had the chance to truly connect with themselves and their peers through a safe and cooperative camping adventure.

The highlight of the expedition was undoubtedly the exhilarating white-water rafting, where students navigated the meandering Tana River. They paddled through calm stretches and adrenaline-pumping rapids, developing teamwork, resilience, and trust in one another. Along the way, they also took time to admire the vibrant flora and fauna, gaining a renewed appreciation for Kenya's natural beauty.

Beyond rafting, the learners took part in rock climbing, which tested their physical endurance and mental strength; zip-lining over the river, a thrilling challenge that pushed boundaries and fears; and high ropes courses, designed to build courage and problem-solving skills.

This outdoor education experience provided more than just adventure; it laid a strong foundation of life skills—self-reliance, communication, empathy, leadership, and collaboration. Lessons learned during the Sagana trip will surely last a lifetime, nurturing the young minds as they continue to grow both inside and outside the classroom.
